Cargo Ship News

Thank you for your interest in Cargo Ship Voyages and our summary of some of the voyages possible. Voyages are in high demand so planning ahead is vital. Schedules vary so flexibility is paramount.

Trade routes, vessel deployments and schedules are updated and amended constantly so if you don't find what you are looking for please do contact us and we can check around the various ship owners for route possibilities!

There is increasing interest in travel by cargo vessel so if you are planning a voyage in the coming months please book early or you are highly likely to be disappointed!

In particular the transatlantic routes and line voyages to/from Europe & South Africa also to/from Asia and on to Australia and New Zealand book up many months ahead.

Kind regards

We offer a variety of voyages of varying duration from 7 day taster voyages from mainland Europe to Ireland, France or Germany, to the Mediterranean or twice monthly liner voyages to South Africa. It is possible to embark on certain voyages in Ireland and UK ports, but these are limited.

Many passengers try a shorter duration voyage first before committing to the longer and more expensive trips.
